## Getting Started on Slynd™

### Starting your Slynd™ Prescription\*

1. Fill your Slynd™ prescription at the pharmacy and bring your co-pay card obtained from your doctor's office, online, or via text.
2. In order to apply savings benefit and reflect your final out of pocket cost, **ask your pharmacist to process your Slynd™ prescription** through your primary insurance along with the copay card.
3. If the pharmacist states the medication is **not covered under your insurance or there is an out-of-pocket cost over \$65**, ask the pharmacist to run the prescription as **"cash-pay" and apply the coupon**.
4. **There is no generic equivalent of Slynd™.** If your pharmacist indicates they do not have Slynd™ in stock, ask them to order it and they can have it in **approximately 24 hours**.
5. If you experience any further problems, have your pharmacist call the Help Desk: **1-800-422-5604**.

\*Offer not valid for patients enrolled in Medicare, Medicaid, or any other federal or state healthcare program. The patient is responsible for the first \$10 or \$25 of their co-pay and cash-paying patients should pay approximately \$65. See redemption instructions for further details.
