Getting Started on Slynd®

1. Fill your Slynd® prescription at the pharmacy and bring your co-pay card obtained from your doctor’s office, online, or via text.

2. In order to apply savings benefit and reflect your final out of pocket cost, ask your pharmacist to process your Slynd® prescription through your primary insurance along with the copay card.

3. If you pay most of your medical costs, you may also benefit from your Slynd® card. Please note that you must be insured under your primary insurance or there is an out-of-pocket cost over $65, ask the pharmacist to run the prescription as “cash-pay” and apply the coupon.

4. There is no generic equivalent of Slynd®. If you have a pharmacy that does not have Slynd® in stock, ask them to order it and they can have it in approximately 24 hours.

5. If you have any questions or problems, please have your pharmacist call the Help Desk: 1-800-422-5604.
